Information Sought	Information Supplied
No, of employees retired/resigned/granted VRS till date along with details such as name of employees, grant of terminal benefits, date of retirement/resignation/VRS and their post sanctioning authority?	The information sought is old, quite vast and scattered. There is no such mechanism in TIFAC to compile the information of all such employees. These are spread over different files/ vouchers placed in various files. Any attempt to compile the same would disproportionately divert the resources of the office. Hence the said information cannot be furnished as per Section 7 (9) of the RTI Act 2005.
The list of employees who have been granted 7 th CPC and their post sanctioning authority?	As per TIFAC circular No.F.No.10-2/CPC/Estt./2017 dated 28 th September 2018, the list of employees who have been granted 7 th CPC is enclosed. The posts are sanctioned as per their category and the authority decided by Government of India from time to time.
Please provide me the list of employees whose names included in 20 posts (appearing at Annexure-IV of para 3.3.1 of CAG Report	The names of employees not included in the CAG report.

The Appellate Authority for RTI in TIFAC as per Sec 19 of the Act is Prof. Pradeep Srivastava, Executive Director, TIFAC. If you are not satisfied with this reply, you may appeal to the First Appellate Authority as mentioned above within 30 days receipt of this letter.

Grievance Description

New Development in the matter - January 23.

According to news 300 Airplanes order , is in consideration for being increased to 500 Airplanes order.

Tata group was asking only discount in Airplanes order from Seller of Airplanes (Boeing/Airbus).

In place of only finding discount , the Airplanes can itself be manufactured in the nation.

500 Airplanes would cost around 4.5 to 5 lakh crores , in purchase.

Development in the matter , Dated 19 Nov 22 requiring great consideration.

In the news published in newspaper Dainik bhaskar Dated 19 Nov 22, Tata group is considering placing order of 300 Airplanes. Copy attached.

This order will be , one of a Largest Order in Aviation history.

If one Airplane price is taken to be Rs 1000 crores , it will cost Rs 300000 crores or Rs 3 lakh crores.

Boeing and Airbus are both competing for order.

It is advised to the Government to tell the Seller of Airplanes to manufacture the Airplanes in the nation , as it is the most opportune and correct moment for manufacturing airplanes in the nation.

Considering such large amount of Monetary consideration in the order , the Seller will definitely agree.

It can be noted the same has been done also in the case of C295 Airplanes.

It will be a major achievement of Government.

With Regards
Ashish Shankar
